DEVOTION, PEACE AND CONTEMPLATION

Date: Wednesday 3rd February 2016

Time: 8.00pm

Venue: East Barnet

Tonight we are holding the first of what we hope will be regular Devotional Evenings, to be held every two months alternating with our coffee functions.

This is a new direction for Barnet WIN. The meeting will be in a private home and will take the form of very short prayers from each faith represented (with English translation if needed), as well as creating a space for calm, serenity, peace and communication accompanied by some music, which will be either live or on CD. This will be followed by refreshments.

If you have any queries, please contact Kate Salinger.
